

# LAW ENFORCEMENT

“I have been astounded by the impact of [Jessie’s] legacy and the LOVE>hate Project on this community. This effort to shine Light in the darkness, to raise awareness, to shift cultural norms, and ultimately to END physical violence, coupled with the most stunning demonstration of Forgiveness and Love that I have personally ever seen, is clearly an idea whose time has come. Our children, and ALL of us, need this message.”

**MARK BENSEN  
DISTRICT ATTORNEY  
WASHINGTON CO, WI**
